

VORTEX SOLO MONOCULARS

You can always have a quality optic close at hand with a Solo monocular. These compact, easy-to-carry monoculars deliver quality viewing for outdoor enthusiasts who wish to bring nature a bit closer, or for those who want to bring any subject a tad closer without resorting to binoculars or telescopes. Integral carry clip on 36mm models.

Built to be carried as a standard piece of equipment, close-at-hand, the Solo monocular gives you a closer look when you need it. And with the integral carry clip, the Solo attaches securely to any belt, strap or webbing. This premium roof prism with fully multi-coated glass surfaces delivers bright images in a unit that is compact, lightweight, and easy-to-handle.

All Solo monoculars come complete with a neck strap and padded belt pouch and of course the Vortex Unlimited Lifetime Warranty through our UK Authorised Stockists.

The Solo Monoculars are available in 8x25, 10x25, 8x36, 10x36 & 8x36 RT specifications

Optical Features

Fully Multi-Coated Lenses: Increase light transmission with multiple anti-reflective coatings on all air-to-glass surfaces.

Construction Features

Waterproof: Optics are sealed with O-rings to prevent moisture, dust, and debris from getting inside the monocular.

Fogproof: Nitrogen gas purging delivers fogproof and waterproof performance.

Rubber Armour: Provides a secure, non-slip grip, and durable external protection.

Convenience Features

Adjustable Eyecup: Twists up and down for comfortable viewing with or without spectacles.

36mm Solo Monoculars

Vortex Solo 8x36 RT Monocular with Reticle Focus:

Ultra-compact and lightweight, the Solo Tactical R/T monocular delivers big-time optical quality in a palm-sized package. Built to exceed your expectations with generous eye relief and optical performance normally reserved for binoculars, the Solo R/T delivers bright, clear views anywhere.

The R/T ranging reticle for precise target range estimation features mrad-based subtensions also includes a secondary quick-ranging system with silhouettes. The reticle focus ensures a sharp reticle image at all distances.

8x36 RT Convenience Features

Reticle Focus: Ensures a sharp reticle image at all distances.

Utility Clip: Allows for multiple attachment points and quick field access.

Flared Eyecup: Blocks stray light and folds up and down for comfortable viewing with or without spectacles.
