

VORTEX VANQUISH BINOCULARS

A go anywhere and "take to the road" in the glove compartment of a car binocular, the Vanquish weigh in at a mere 12.7 ounces and are competitively priced to be that second pair.

These compact travellers benefit from forward-thinking engineering, to ensure that these on-the-go optics render crisp and bright images.

All Vanquish binoculars come complete with a comfort neck strap along with Rainguard, tethered Objective Lens covers and of course the Vortex Unlimited Lifetime Warranty through our UK Authorised Stockists.

The Vanquish binoculars are available in 8x26 and 10x26 specifications

Optical Features

Fully Multi-Coated Lenses: Increase light transmission with multiple anti-reflective coatings on all air-to-glass surfaces.

Construction Features

Reverse Porro Prisms: Valued for a rich depth of field, compact design and three-dimensional image.

Waterproof: Optics are sealed with O-rings to prevent moisture, dust, and debris from getting inside the binocular.

Fogproof: Nitrogen gas purging guarantees fogproof and waterproof performance.

Rubber Armour: Provides a secure, non-slip grip, and durable external protection.

Convenience Features

Twist Eyecups: Twist up and down for comfortable viewing with or without spectacles.

Right Eye Diopter: Adjusts for differences in a user's eyes. Located on the right eyepiece.
